## Queensland Environmental Student Awards Night

The 16th Annual Environmental Student Awards Night is being held at the Science and Engineering Centre at the Queensland University of Technology at Garden Point Campus in Brisbane this year on Wednesday 28 October 2015.

The purpose of the night is to allow environmental engineering and science undergraduate students from Queensland universities to feature their thesis and project work to an audience of industry professionals and fellow students.

The event also allows a demonstration of the directions in current environmental research and to show the diversity and quality of content in thesis studies from all over Queensland.

Final year environmental engineering and science students from the following universities are being invited to attend and present their research or project work:

- Griffith University
- University of Queensland
- Queensland University of Technology
- University of Southern Queensland
- James Cook University
- Central Queensland University
- Sunshine Coast University

This night is generally well attended and it is our pleasure to invite your cooperation in supporting the next generation of Environmental Professionals in Queensland.

There are three Sponsorship levels:

- **Gold**      **\$660 (incl GST)**
- **Silver**     **\$440 (incl GST)**
- **Bronze**    **\$220 (incl GST)**

Gold, Silver and Bronze supporters will have their organisation's logo shown on all advertising flyers for the event. Sponsors will be publicly acknowledged and their logos prominently displayed during the evening. You are welcome to set up a small display and / or distribute promotional materials at the event.

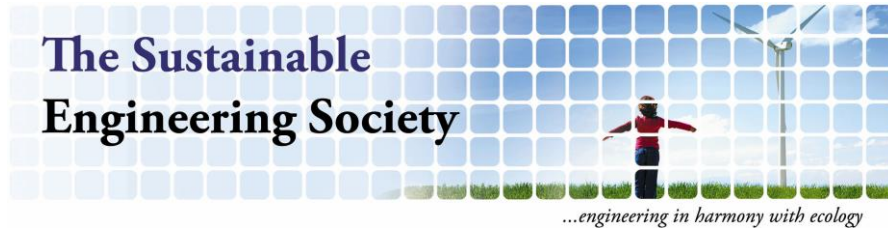

You and your staff are encouraged to attend and participate in the event.

Sponsorship obtained will be used to:

- Fund awards for participating students (including cash prizes for the winning students and a year's membership for each participant in SENG and WMAA).
- Provide transportation for students from regional Queensland universities.
- Cover costs of the event so that free admission can be offered to students and industry representatives.

## The Sustainable Engineering Society

### Event details:

- Wednesday 28 October 2015
- Science and Engineering Centre at the Queensland University of Technology Garden Point Campus
- The evening is expected to run from 5.30 to approximately 9.00pm, with drinks and a light supper provided during the course of the evening.

If you would like to support the event, please complete this form and forward by email to the organising committee member who sent it to you, or to Sandy Stewart at the address given below.

A Tax Invoice will be sent to you from SENG (Engineers Australia) to facilitate payment.

Please tick box to indicate level of sponsorship offered (incl GST):

☐

Gold (\$660)

☐

Silver (\$440)

☐

Bronze (\$220)
