

The Petition to **DECLARE A CLIMATE EMERGENCY**

AND INITIATE A SOCIETY-WIDE
WORLD WAR TWO SCALE CLIMATE
MOBILISATION

Australian engineer and eco-warrior Steve Posselt has paddled his kayak 1,000s of kilometers overseas and at home to highlight climate impacts. He arrives in Canberra on February 25 pulling his kayak on wheels to deliver the Climate Emergency Declaration petition, after paddling 1,200km down the NSW coast, giving talks and collecting signatures on the petition.
